## **50/50 COST SHARE SIDEWALK, CURB & GUTTER REPLACEMENT PROGRAM**

The City encourages property owners to repair sidewalk hazards by offering a sidewalk, curb and/or gutter replacement 50/50 cost share program. Applications can be picked up at City Hall or downloaded from the City Website at [www.cityofdeltanet.net](http://www.cityofdeltanet.net). Applications will be ranked via an onsite inspection by public works personnel and based on the severity of the concrete in disrepair. Property owners will be notified if their requested replacement will be completed. The City will determine the most economical method of repair or replacement. Owners will be notified of the anticipated work schedule, and will be required to pay for half of the project prior to the initiation of the work.

Please contact Betsy Suerth, Public Works & Utilities Director at 874-7566 if you need further information.
