**2017 Holiday Craft Fair – Bill Heddles Recreation Center
Saturday December 2, 2017**

The 2017 Holiday Craft Fair by the Delta Recreation Department held at Bill Heddles Recreation Center is Saturday December 2, 2017 from 9:00am- 3:00pm. We will start taking completed Vendors Packets for Booth Space starting Monday July 17, 2017 at 9:00am. Attached to your letter in this email are the Vendors packets and Booth Diagrams. Please complete Vendors Packets and bring them in or mail into Recreation Center with payment. Please note: Walk-ins on first day of registration--Monday July 17th will have priority for spaces over mail-in packets that come in. Early Mail-in packets will be completed July 17th after **NOON**. We will not be taking any over the phone registrations – since the packets needs to be totally completed/signed with payment – thank you for your understanding! This craft Fair is very popular and fills up quickly. Please read the Rules and Regulations carefully (so you fully understand). Please note: SIZES of booth spaces are different in Gym, Lobby, Aerobic Room and in the Hallway, also all booth space sizes are approximate. Remember to give details of your “HAND MADE items” and your email addresses.

For more information – please contact Nancy Doerer at the Recreation Center 874-0923.
