26 February 2024

To the Office of Delta City Clerk,

My name is Thomas R George, (Tom) and I have been a resident of the City of Delta, District B since March of 2019.

I would like to submit my name as a candidate for the City Council District B. My reasoning and purpose for this submission is that I have watched, listened and partaken in the development of both the city and community of Delta for the past 4 years. In my time here I have been employed by Delta Ace Hardware where I feel that I have been able to keep a close finger on the pulse of the Delta community, both City and County. Additionally being single and "FREE". I participate at great length in the support of the businesses in the City, both eateries as well as commerce. My home at 258 Dodge Street is a historical building in the city having been built in 1900 and I am in the process of restoring this to its original glory in order to preserve the character of Delta. It is my hope that my interest in the city, the community and the people of Delta will assist you in determining my eligibility and benefit to the city as a member of the Delta City Council.

Sincerely

Thomas R George

Dear Delta City Council,

I am writing to express my interest in serving the City of Delta by filling the current city council seat vacancy for District B. After a careful and thoughtful review of the position's requirements, time commitments, and overall mission and culture of the City of Delta, I feel that my past experience, ethics, and values align perfectly with the job at hand.

Although I have only enjoyed being a permanent resident for a year and a half, my family and I have visited the City of Delta and the surrounding areas for over a decade. The tight knit communities, love of tradition, and beautiful panoramic views are what attracted us to the Western Slope of Colorado. Since arriving, I have been diligently active in the community through volunteering, attending community events, supporting local businesses, assisting youth programs, and involvement in local government. Below is an outline of my specific qualifications for your review. My personal resume is also attached.

- I have over 15 years of accounting and budgeting experience, including time as a city auditor for a large CPA firm. This has given me an extensive knowledge of city financials and budgeting while ensuring that financial operations are conducted in an efficient, effective, and ethical manner.
- I am the Treasurer for several non-profit organizations, including The Giving Goose, which I founded along with my husband and sister-in-law to assist youth in our community who are facing circumstances beyond their control, including but not limited to illness, injury, family member loss, homelessness, and economic challenges. This involvement aligns with my passion for the upcoming generation and my desire to make the City of Delta a place where our quality youth are retained for our city's future.
- I have successfully established and expanded my own accounting and payroll company over the last twelve years and relocated it to the City of Delta where I assist small businesses with financial preparation, budgeting, and human resources. My company's involvement here has allowed me to meet many business owners, grow strong relationships, and invest in their future and ongoing community interests.
- As an extremely active member of our community, I volunteer frequently at the local elementary school, coach youth sports through the rec center, and frequently attend city events and city council meetings. Immersing myself and engaging with new people allows me to understand the culture, concerns, expectations, and desires of the residents I will serve.
- I am connected to local law enforcement through family members and friends that serve in the City of Delta. As an officer's wife for over 10 years, I have a desire to work alongside our public safety officers to promote an environment where they and our residents feel safe, the community has faith in our departments and agencies, and crime is prevented or prosecuted appropriately.

I am excited at the prospect of bringing my qualifications and fresh perspectives to the Delta City Council. I very much look forward to hearing from you, at your earliest convenience, to further discuss my goals and answer any questions you may have regarding a potential future in our local government. Thank you for your time and consideration.

Sincerely,

Jamie M. Lane

City Council

Good evening, My name is Mary Cooper and I would like to submit my application for the open position on City Council district B. A bit about myself, I have previously served on council having been appointed to the position vacated by Jeff Schaff in 2005. After finishing that term I ran for and was elected to two consecutive terms for a total of 11 years. After being termed out of council I served on the building comission. I resigned from the comission when my husband became ill and I chose to become his caretaker.

My husband and I moved to Delta in 1989 purchasing a downtown business. I have lived in

North Delta for most of that time. Being retired I feel I will be available to perform the duties of the office as needed. I will keep this letter brief, I believe many of you know me and I am willing to answer any questions you may have for me.

Thank you for your consideration.

Mary Cooper
