

# Cathy Boyd Bio

October 19, 2020

I am a second-generation Delta native, graduating from DHS in 1969. I have worked all my life to actively support my hometown, businesses, schools and charitable causes.

I have worked in Delta since the age of 16 and have developed working relationships with businesses and community members. My business partner, Colleen Jensen and I started our first business in 1988. The Paper Works, Ink was a successful business for 23 years. In 1992 we purchased the 334 Main building and in 1995 we remodeled the old rooming house on the second floor creating 5 apartments.

In 2011, I decided to change gears and renovated the 334 Main portion of the building into a one-of-a-kind bar and grill - CB's Tavern - in May 2012 and expanded in 2015 to include a banquet room.

Despite 12 to 16-hour days for years, I still found time to volunteer in my community. I served 17 years on the Board of Directors for Delta Housing Authority; was an Altrusa member for 11 years, serving as secretary, vice president and president; and served 15 years on board of directors for DACC. I also served on Lincoln Elementary Accountability Committee for 2 years and on DHS Accountability for 6 years. I also served on several City of Delta committees, including Cottonwood Golf Course, outlet stores, alternate truck route, and City Planning.

I am the mother of two children - both of whom graduated from DHS and college. I managed to never miss any sporting event, spelling bee, science fair or any other extracurricular interest. I even had a stint at announcing volleyball on our local radio station.

On December 31, 2017, after working over 50 years, I decided to retire and spend time with my family and enjoy my grandchildren and play in my yard and garden. Wanting to stay involved in my community, I ran for City Council and was elected in April, 2020. I love Delta. I believe in being Pro Active, Pro Business, and Pro Community.
